Dual Use statement**

No export license or export permit for dual-use goods (Regulation (EC) No. 428/2009 as amended) is required for the products described in the LINNEMANN catalog. The products of LINNEMANN GmbH are not included in the export list Annex I of the EC Dual-Use Regulation 428/2009 and the AWV.

We would like to point out that the exporter is responsible for checking whether an export product requires a license.
