## Declaration of compliance REACH – Regulation (EC) 1907/2006

On June 1, 2007, Regulation (EC) No. 1907/2006 concerning the **Registration, Evaluation, Authorization and Restriction of Chemicals** (in short: "**REACH**") came into force. As a downstream user and distributor of articles, the company Linnemann GmbH is not obliged to register chemicals.

According to Art. 33 of the REACH regulation, the company Linnemann is subject to the obligation to pass on information about substances in articles, if one of the delivered products contains a substance of very high concern (SVHC) in a mass concentration above 0.1%.

The list of SVHC substances is maintained by the **European Chemicals Agency (ECHA)** and can be viewed at the following link <https://echa.europa.eu/de/candidate-list-table>.

LINNEMANN GmbH would like to inform its customers that, with the exceptions listed below, none of the products contains a SVHC with a mass concentration above 0.1%.

None of the products contains any of the substances subject to authorization listed in **Annex XIV**.

The prohibitions on the use of substances in accordance with **Annex XVII** are also observed and complied with.

Products with SVHC:

Art.Nr.	CAS (Date of inclusion)	SCIP-ID
110407	7439-92-1, Lead (27-Jun-2018)	60251c5c-5454-48dc-a4c2-f8abbaf48637
110610	7439-92-1, Lead (27-Jun-2018)	275d0d1f-d1ba-44a5-bb7c-1122ebd9a7b8
110611		
110612		
141501	7439-92-1, Lead (27-Jun-2018)	c43325fd-1955-4c3b-983b-830d3af1b81a
